During the correction process Figure 1 was inadvertently replaced by Figure 4. Figure 1 as it should have appeared is shown here:

Volume 78, September 1997

Equations 5 and 8 were incorrectly represented with square root symbols. The correct equations are shown here:

\[
T_{0.95} = \frac{q(n + 1)(n - k)}{n(n - k - q + 1)} F_{0.05, q, n-k-q+1} S
\]

(5)

\[
C_{0.95} = \frac{q(n - k)}{n(n - k - q + 1)} F_{0.05, q, n-k-q+1} S
\]

(8)

The authors thank G. Baud-Bovy for pointing out the error.
