Volume 89, June 2003

Pages 2904–2916: Fagergren A, Ekeberg Ö, and Forssberg H. “Control Strategies Correcting Inaccurately Programmed Fingertip Forces: Model Predictions Derived From Human Behavior” (http://jn.physiology.org/cgi/content/full/89/6/2904). The Digital Object Identifier for this article is 10.1152/jn.00939.2002. This was misrepresented in the print version of this article. However, the electronic version of this article has been corrected and so deviates from the print with regard to this correction.

Volume 90, July 2003

Pages 155–164: Bao H, Wong WH, Goldberg JM, and Eatocek RA. “Voltage-Gated Calcium Channel Currents in type I and Type II Hair Cells Isolated From the Rat Crista” (http://jn.physiology.org/cgi/content/full/90/1/155). The Digital Object Identifier for this article is 10.1152/jn.00244.2003. This was misrepresented in the print version of this article. However, the electronic version of this article has been corrected and so deviates from the print with regard to this correction.

Volume 90, August 2003

Pages 1257–1265: Wang H, Yan Y, Kintner DB, Lytle C, and Sun D. “GABA-Mediated Trophic Effect on Oligodendrocytes Requires Na-K-2Cl Cotransport Activity” (http://jn.physiology.org/cgi/content/full/90/2/1257). The Digital Object Identifier for this article is 10.1152/jn.01174.2002. This was misrepresented in the print version of this article. However, the electronic version of this article has been corrected and so deviates from the print with regard to this correction.

Volume 90, September 2003

Pages 1418–1431: Di Lorenzo PM and Victor JD. “Taste Response Variability and Temporal Coding in the Nucleus of the Solitary Tract of the Rat” (http://jn.physiology.org/cgi/content/full/90/3/1418). The Digital Object Identifier for this article is 10.1152/jn.00177.2003. This was misrepresented in the print version of this article. However, the electronic version of this article has been corrected and so deviates from the print with regard to this correction.

Pages 1635–1642: Rybak IA, Ptak K, Shevtsova NA, and McCrimmon DR. “Sodium Currents in Neurons From the Rostroventrolateral Medulla of the Rat” (http://jn.physiology.org/cgi/content/full/90/3/1635). The Digital Object Identifier for this article is 10.1152/jn.00150.2003. This was misrepresented in the print version of this article. However, the electronic version of this article has been corrected and so deviates from the print with regard to this correction.
