Volume 94, July 2005

Pages 754–763: Ivanenko YP, Dominici N, Cappellini G, and Lacquaniti F. “Kinematics in Newly Walking Toddlers Does Not Depend Upon Postural Stability” (doi:10.1152/jn.00088.2005; http://jn.physiology.org/cgi/content/full/94/1/754). During production, the DOI number was misrepresented in this article. The DOI number has been corrected and replaced in the online version of the final published article. Therefore the online version now deviates from the print journal with regard to this correction.

Volume 94, August 2005

Pages 1028–1036: Seidl AH and Grothe B. “Development of Sound Localization Mechanisms in the Mongolian Gerbil Is Shaped by Early Acoustic Experience” (doi:10.1152/jn.01143.2004; http://jn.physiology.org/cgi/content/full/94/2/1028). During production, the DOI number was misrepresented in this article. The DOI number has been corrected and replaced in the online version of the final published article. Therefore the online version now deviates from the print journal with regard to this correction.

Volume 94, September 2005

Pages 2031–2044: Jackson AW, Horinek DF, Boyd MR, and McClellan AD. “Disruption of Left-Right Reciprocal Coupling in the Spinal Cord of Larval Lamprey Abolishes Brain-Initiated Locomotor Activity” (doi:10.1152/jn.00039.2005; http://jn.physiology.org/cgi/content/full/94/3/2031). During production, the DOI number was misrepresented in this article. The DOI number has been corrected and replaced in the online version of the final published article. Therefore the online version now deviates from the print journal with regard to this correction.
